## **2019 Alberta Airports Management Association Sponsorship Opportunities**

The Alberta Airports Management Association (AAMA) was formed to present a forum and membership opportunity for airport operators to resolve common issues and problems. The AAMA is composed of airport operators and companies/individuals associated with airport equipment, supplies and consulting.

For the 2019 year we are looking to continue pursuing important issues affecting Alberta Airports.

Projects include:

- Engaging the Province of Alberta to increase provincial funding for small airports
- Working alongside other associations to engage Transport Canada to improve the ACAP program
- Dealing directly with Transport Canada on regulatory changes including upcoming changes to runway reporting
- Providing training opportunities for airports in the province

We are also pleased to announce our annual Maintenance Seminar & Training Sessions for all our members and guests to attend. This year, the Seminar and Training Sessions will be held at the Fantasy Land Hotel, West Edmonton Mall, Edmonton, AB on June 10<sup>th</sup> through 14<sup>th</sup>, 2019. We are pleased to be providing our members and guests with an informative Seminar. We are expecting 70 delegates from across Alberta, Saskatchewan, B.C. and Manitoba to attend. Registration packages are available by contacting the email on the following page.

On behalf of the AAMA, please consider becoming a 2019 sponsor. Sponsorships allow the AAMA to continue to work for airports in Alberta. Sponsorships may be generic in nature, or if desired, you may sponsor a specific event at our annual conference. All sponsorships will be classified into Platinum, Gold, Silver, Bronze levels and recognized at our annual conference in our delegates package. A Sponsorship Form is attached for your use.

Should you prefer to sponsor a door prize or item for the delegate package at our annual conference we request that you include the value of the item on the form on the next page.

If you have any questions or require further information, please contact Sam Shine, at 780-723-4010. Thank you for your time and consideration and we look forward to hearing from you.

Sincerely,

William Stewart, A.A.E.
