

February 24, 2025

Members,

For the 2025 year, as we continue to pursue important issues affecting small Canadian airports across Canada, we are pleased to announce that the Alberta Airports Management Association (AAMA) to host an **Airport Conference & Training Seminar**.

We are pleased to be providing our members and guests with an informative Conference and unique networking opportunity with guest speakers from Transport Canada, NAV Canada, and Airline representatives and industry experts along with Airport Operational training sessions to just name a few.

The **Airport Conference & Training Seminar** will be taking place at the **Fantasyland Hotel, West Edmonton Mall, Edmonton, AB** and will be held from **June 9 to June 13, 2025**.

Register for the conference & training seminar by visiting: <https://albertairports.ca/conference/>

On behalf of the AAMA, please consider becoming a sponsor of the **2025 Airport Conference & Training Seminar**. Sponsorships may be generic in nature, or if desired, you may sponsor a specific event. A Sponsorship Form is attached for your use.

You may also submit a sign up for sponsorship using our electronic form: <https://form.jotform.com/250280620310238>

Should you prefer to sponsor a door prize or item for the delegate package at our annual conference we request that you include the value of the item on the form on the next page.

If you have any questions or require further information, please contact Barry Feledichuk, at 780-623-6728. Thank you for your time and consideration and we look forward to hearing from you.

Sincerely,

Barry Feledichuk, AAMA Board of Director

The Alberta Airports Management Association (AAMA) was formed to present a forum and membership opportunity for airport operators to resolve common issues and problems. The Alberta Airports Management Association (AAMA) is composed of over 70 members, including airport operators and companies/individuals associated with airport equipment, supplies and consulting.

Member airports can expect to operate with minimal delays based on timely and accurate information provided by the association through direct consultation, newsletters, annual meetings, maintenance seminars and dialogue with other member airports.
